Letter of Appeal

Business Lic#B05-03047-3-133862

It has been assumed that Tranquility Spa 2123 & 2125 Paradise Rd. has been operating as a massage establishment. **Tranquility Spa** at no time has provided massage services and does not claim or advertise to do so. The ad in Citylife was iniatated under "mind, body & spirit". After reviewing the ad, Barbara McDonald from CityLife changed the heading with out notice, and was automatically put in the "massage" catagory The Tripsheet magazine it has advertised hand and foot massage (June 2007) Under the cosmotology license a licensed cosmotologist has the right to provide this service. After being advised by the state board we discontinued that ad. This is a spa that provides the following treatments;

Body Wraps
Waxing (Hands,feet,eyebrows,lip)
Hot stones
Salt Glows
Facials

At this time we are appealing the denial of the renewal of the business license for
Tranquility spa
Thank you for for prompt attention,
Jay Smith (Manager)
