Dear Mr. Korkosz,

In regards to the application by the people who want a special use permit to sell packaged liquor at 1510 E. Sahara Ave., if it were to be my decision I would deny them a permit. I live near to that store and almost every morning I find empty beer and soft drink bottles sometimes a wine bottle. Some of the bottles contain some liquid, some are broken and shattered glass is on the street at curbside, often times on ~~neighbors~~ neighbors yards. Even during daytime hours we get littered. This is not a nice peaceful neighborhood. There is a CAT Bus stop at South Chapman Drive by the Palm trees and only one driveway to enter and exit the parking area of that store. The driveway is at the Sahara side. There is ~~pack~~ package liquors available at Smiths Super marked in the Sahara Town Square at Sahara and Maryland Parkway and a tavern one block east of the location where they want a special permit now.

Thank you for reading my letter
